Dear Mr. Tanveer Sinha,

It is my privilege to address you as one of the regional business leaders. Your company has a long-standing reputation for providing high-quality goods and services, as well as exceptional levels of customer service.

Every year, we analyse the relevant business information from the previous year and honour the prominent regional companies and CEOs who have demonstrated success on a regional level. Our research is based on data collected from national and international certification bodies, regional and national associations, congresses, forums, exhibitions, industry and regional media. The best regional companies and businesspeople are selected for participation in the annual Summit of Leaders and award ceremony 'Achievements-2018'.

We are sure that company's successes are tightly connected with your vision and leadership, innovation, creativity, professionalism, exceptional managerial skills and business ethics, and you have been nominated for the title 'Manager of the Year'. Please contact us to complete the award nomination procedure before **the 26th of February**. I will be glad to assist with the nomination and requirements.

Distinguished personalities representing regional businesses are to be acknowledged for their contribution to local economies and corporate successes at the Awards Ceremony Achievements - 2018 in the Framework of London Summit of Leaders that will be held on the 17th of April in the premises of Institute of Directors, London, UK.

The Summit is a unique platform for international business and professional communication, sharing of best practices in managing companies, promoting goods and services, and the opportunity for a comprehensive improvement of business processes.
